

Honorable F. Ann Rodriguez

Pima County Recorder

115 North Church Avenue

Tucson, Arizona 85701

PHN: (520) 740-4330 FAX: (520) 623-1785 WEB: <http://www.recorder.pima.gov>

PRESS RELEASE

DATE: SEPTEMBER 17, 2007
CONTACT: ROBERT M. SARICH
(520) 740-4350
FOR IMMEDIATE RELEASE

IMPORTANT CHANGES IN DOCUMENT RECORDING!!

TO ALL INTERESTED PARTIES:

The Pima County Recorder's Office is in the process of rewriting our recording system, which will impact how we do business. We are considering modifications to our recording procedures and database system. A major point of discussion is the discontinued use of docket and page, and only the use of a sequence number.

One component is the use of e-recording for title companies, law firms, lending institutions and any other business that meets the criteria for e-recording. In addition, we will lay out the plan for redacting all social security numbers from our current images and the plans we have for imaging all of our microfiche and roll film into a digitized format for your use via our web page.

I am inviting all members of the public and especially those that use the Recorder's Office to a public meeting on the items mentioned above on Tuesday, October 2, 2007 at 10:00 a.m. in Conference Room C (in the basement) of the Public Works Building, 201 North Stone Avenue. Public parking is available in the Public Works Garage adjacent to the Building, for a nominal fee. The entrance to the Garage is on Alameda Street and must be approached from the intersection of Stone Avenue and Alameda.

Please RSVP to Robert M. Sarich, Assistant Chief Deputy, at (520) 740-4350, or rob.sarich@recorder.pima.gov as soon as possible so that we may plan accordingly.
