Register To Vote Mailer

The Pima County Recorder’s Office along with the Arizona Secretary of State, sent the attached mailer to Pima County residents that are not registered to vote. The purpose of the mailing was to inform those individuals who have active Arizona State driver’s licenses, and that they could register to vote.

The goal of this mailer is to create awareness of online voter registration options. The mailing list database was provided and generated by the Arizona State Motor Vehicle Department. We are finding that this database may have some outdated information. If you have received this card and the information on the card is not current or correct we apologize for this. If the addressee no longer lives at the address you can simply destroy the mailing card.

Please contact our office if you have any questions or concerns regarding the mailer but know that your voter information has not been affected by the data that was used to create the mailing list.
