HAPPY VOTER REGISTRATION DAY

Celebrate by Registering to Vote!

Tuesday, September 25 is National Voter Registration Day. If you are not registered, there is still time to register for the upcoming 2018-General Election. Arizona residents must be registered to vote by Tuesday, October 9, 2018 to vote in the upcoming General Election.

Another important duty of a registered voter is to make sure their registration is current and up to date. A new voter registration form must be completed by anyone who has moved (even to a new apartment number in the same complex), changed their name since their last registration, is a new Pima County resident, or would like to change their party affiliation.

There are a number of ways that people can complete their voter registration:

- The easiest way is to go to servicearizona.com and complete the registration online. Voters can access this site directly or through the Recorder's website at recorder.pima.gov at the link for "[EZVoter](#)". You must have your current residential address with Motor Vehicle Division (MVD) before using this option.
- Forms are available at multiple locations throughout the county: any Pima County Recorder's office, all post offices, public libraries, political party headquarters and city/town halls.
- Voters can download a form directly from the Recorder's website at recorder.pima.gov and click on "[Registering to Vote](#)", complete it and mail it in.

Not Sure If You Are Registered?

Voters can check their voter registration status on the Pima County Recorder's Office website: recorder.pima.gov click on the "[Check your Registration](#)" tab. In order to check your registration you must have either your Arizona State Driver's license number or voter registration I.D. number. Information available includes your registration name and address, early ballot status, party affiliation, election district assignments and voting history.

For more information, voters may call the Pima County Recorder's office at 520-724-4330. Although you cannot make changes to your voter registration over the phone, our staff is always available to answer any questions voters may have.
