What Voters Need to Know – Nov. 3 General Election

Business as Usual; Supreme Court Ruling Halts Proposed USPS rules

On September 14, 2026, the U.S. Supreme Court denied the government's request requiring special envelopes, barcodes and the uploading of voter information before federal ballots could be mailed.

For voters, this means nothing will change about how you receive or return your Mail Ballot. Pima County will continue to follow the approved Elections Procedures Manual and guidance from the Secretary of State and Attorney General. Pima County voters can be assured that our office is committed to delivering safe, secure and reliable elections.

Eligibility

The November 3 General Election is underway! General Elections typically see larger turnout among first-time and infrequent voters, and the Pima County Recorder's Office wants to make sure voters know their voting options and what to expect.

Voters can check their Voter Registration, the status of their Mail Ballots and sign up for text and email updates via the Recorder's Office [Voter Dashboard](#).

What's on the ballot

The General Election ballot will include races for statewide offices such as governor, secretary of state and attorney general; federal offices such as Southern Arizona's Congressional Districts 6 and 7; legislative races; various county offices, such as school boards and judges; and local and statewide propositions. Find out more on the [Pima County Upcoming Elections page](#).

Important Dates

The county mailed ballots to military and overseas voters on September 17. Eligible voters under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) may register and request a ballot via the state's new Online Ballot Portal through Election Day. Ballots must be received by 7 p.m., Tucson time. More information is available on the [military and overseas voter page](#).

For all other voters:

- **Monday, October 5**, is the last day to register to vote for new voters
- **Wednesday, October 7**, is when Early Voting begins and Early Ballots will be mailed
- **Friday, October 23**, is the last day to request a replacement ballot by mail
- **Tuesday, November 3**, is Election Day

Voters can request a ballot in person at any Early Voting Site or Election Day Vote Center.
