

New Recording System Notice

On January 18, 2011 we launched a completely new recording system. As with all new systems, from time to time you may experience service issues. Please report any issues you encounter to webmaster@recorder.pima.gov and we will correct them as soon as possible. All web account users must read and have an authorized representative sign the user agreement effective of that date. This user agreement needs to be returned to the recorder's office. We will accept a signed original, or you may email a signed, electronic copy to heather.martinez@recorder.pima.gov.
